出版时间:2007年06月

装帧:木板书

isbn:9781846465451

This delightful tactile fairy tale is brought right up to date for very young children. A simple retelling of the classic story is combined with bright illustrations and different textures on each page to promote sensory and language awareness in an enjoyable way. Additional text at the bottom of each spread offers more to talk about and a sense of anticipation as the story progresses.
