aANIMAL ARK, Mandy Hope
helps her parents treat ani-
mals of all shapes and sizes. Even
outside the clinic, Mandy can't
resist helping any animal in need.
Mandy and James are distracted
from Halloween planning when
local girl Amber Hutton runs away
from home with a stolen beagle
puppy. Clues left around a sheep
farm lead the kids to believe that
Amber is hiding out on the moors.
But even if the girl and dog are
found, will they all be able to
make it safely back over the moors that are riddled with
jagged holes and underground caves?
