You have everything. But you give it up for an affair. You're in passionate love. And grave danger... Alice Loudon couldn't resist abandoning her old, safe life for a wild affair. And in Adam Tallis, a rugged mountaineer with a murky past, she finds a man who can teach her things about herself that she never even suspected. But sexual obsession has its dark side ndash; and so does Adam. Soon both are threatening all that Alice has left. First her sanity. Then her life.
