著者:Daniel C. Dennett

出版者:Penguin Books

出版时间:2007

装帧:Paperback

isbn:9780141017778

Few forces in the world are as potent as religion: it comforts people in their suffering and inspires them to both magnificent and terrible deeds. In this provocative and timely book, Daniel C. Dennett seeks to uncover the origins of religion and discusses how and why different faiths have shaped so many lives, whether religion is an addiction or a genuine human need, and even whether it is good for our health. Arguing passionately for the need to understand this multifaceted phenomenon, "Breaking the Spell" offers a truly original - and comprehensive - explanation for faith.
