One for all and all for one! School's out -- finally! -- and Samantha, Roberta, Teeny, and Chrissy are going to spend the whole summer together. Just like they do every year. Because they're best friends--and nothing can ever change that. At least that's what they thought. But this summer was going to be different. This summer everything would change. This summer they hold a seance in the cemetery and try to summon a boy back from the dead! And while they search for clues about his mysterious death, they learn secrets about themselves and each other. Secrets that will change their friendship forever.
