The books in this collection tell the stories of five American girls who lived long ago:  
Felicity, a spunky, spritely colonial girl, full of energy and independence,  
Kirsten, a pioneer girl of strength and spirit who settles on the frontier,

Addy, a courageous girl determined to be free in the midst of the Civil War, Samantha, a bright Victorian beauty, an orphan raised by her wealthy grandmother, Molly, who schemes and dreams on the home front during World War Two. You can share their worlds--their friends and families, their struggles and successes, their sad times and celebrations, their secrets and adventures. You'll see that some things about growing up have changed, while others--like families, friendships, and feelings--haven't changed at all. These are the important things that American girls will always share. They come alive for you in The American Girls Collection.
