I invited a dragon to dinner. My parents were really surprised. They thought he would wish for lobster and fish, But he ordered a burger and fries. . . . Get ready for the silliest, funniest poems around! Written entirely by fresh talent, this collection is the result of a nationwide contest to find the best new writers of verse for children. With spirited illustrations by Chris L. Demarest, I Invited a Dragon to Dinner and Other Poems to Make You Laugh Out Loud is a feast of delight just waiting to be devoured. Dig in!
