Have you ever withheld information from your spouse or partner for fear of rejection? Do you feel that your own needs come before your relationship? Do you continue to cling to past relationships, even at the expense of your current one? Do you put your work first, even if it means you never see your family? Are you in a destructive relationship? If you answered yes to any of these questions, then Dr. Laura has some hard truths for you to face. Dr. Laura Schlessinger is an expert on the stupid things men and women do to sabotage themselves and their happiness. In her earlier bestsellers, *Ten Stupid Things Women Do to Mess Up Their Lives* and *Ten Stupid Things Men Do to Mess Up Their Lives*, she urged her readers to take responsibility for their actions and to respect themselves and the people in their lives. Now the popular radio talk-show host tackles another difficult, complicated issue: the ways in which women and men hurt themselves and one another in their romantic relationships. Using real-life situations from her radio call-in show and from listeners' letters, Dr. Laura offers firm yet compassionate advice on how to find greater happiness in life and in love. She urges couples to set their priorities straight, learn the difference between privacy and secrecy, stop making stupid excuses for their mistakes, and face their responsibilities to each other and to their families. Too often individuals in relationships ask only what the relationship can do for them, not what they can do for the relationship. Too many people are jumping into intimate relationships before taking the time to get to know each other. In *Ten Stupid Things Couples Do to Mess Up Their Relationships*, Dr. Laura calls for a return to traditional courtship. Courtship allows couples and their families to get acquainted with one another over a longer period of time and provides structure and guidelines for that important process. She asks couples to take a long, hard look at the recurring problems in their marriages -- both small and large -- and doesn't hesitate to tell them what they are doing wrong and how they can fix them. This is an invaluable guide for all married couples -- newlyweds and grandparents alike -- and for single people who are struggling to find the right mate or to escape a bad relationship. Acknowledging your stupid mistakes can be difficult, but with the help of this book you will learn how to correct them and how to find fulfillment, joy, and loving companionship in your most important relationship.
