One summer day, you and your best friend Hal are fishing at Miller s Pond. Suddenly a large green creature with bulging eyes pops out of the water. You run, but it follows you home!

What do you do? If you call the animal shelter, turn to

page 28. If you call the aquarium, turn to page 49.

The creature might drag you back to its cave, or win you free passes to the movie theater! It all depends on the choices you make. Whatever happens, all of your adventures with the creature are going to be fun!
