Barbie™ All Dolled Up is a dazzling celebration of the fiftieth anniversary of Barbie™

doll. Fully illustrated and featuring three-dimensional replicas of rare memorabilia, this unprecedented book truly brings Barbie to life in full-color, and fabulous style. With the full support of Mattel, the publication of All Dolled Up is a highlight among nationwide Barbie events and marketing initiatives being staged for the anniversary. In five decades, the influence of Barbie on girls and the world of fashion has never faded. Now devoted collectors, baby boomers reminiscing about the doll's classic beauty, moms still dreaming of the pink Corvette of the '80s, and children just discovering her will relive the magic of Barbie through key eras in her development—her debut in 1959, the Mod Era of the late '60s, the big, bold '80s, the Totally Hair '90s, and up to today. Original doll packaging, Barbie comic books, designer's sketches, and an official fan club membership card and welcome letter are among the rare Barbie ephemera that have been reproduced. The narrative combines historical detail with contributions from moms, daughters, and fashion celebrities including Diane Von Furstenburg, Christian Dior, Versace, Armani, Bob Mackie, and Vera Wang. It's Barbie doll's birthday and no one wants to be left out of the party!
