SinoMedia's China Media Directory 2009 is the definitive guide to domestic and international media companies with offices in Mainland China. The most

comprehensive directory of its kind ever compiled has been expanded and completely revised in its fourth edition.

China Media Directory includes:

- \* HQ location
- \* Website
- \* English and Chinese name and address
- \* Phone and fax numbers
- \* Emails
- \* Key contact individuals

The CMD is published once a year to ensure that each entry is accurate and up-to-date. There is no better collection of media company contacts available in the China market.
