著者:Sapajou

出版者:Earnshaw Books

出版时间:2007-10-1

装帧:Hardcover

isbn:9789881714954

A classic of old Shanghai, first published in 1937 and featuring a host of superb and

rarely seen Sapajou cartoons. Lovingly reproduced with volumes 1 and 2 together and a foreword by China scholar Richard Rigby. Nowhere has the Shanghai and China of which Ransome wrote been better portrayed than in the works of Sapajou, and Shanghai's Schemozzle is the best and most typical compilation of his work.
