Barbara Taylor Bradford, who has earned herself a place in the hearts of millions with her phenomenal bestsellers *A Woman of Substance*, *Hold the Dream*, and *To Be the Best*, now brings us the equally enthralling and truly masterful story of three generations of women...and the choices they make. Audra's story, begun in 1926 England, is one of struggle. After the great passion of her marriage is replaced by tragedy, she vows to give her precious daughter Christina the world. Repaying the benefits of her mother's iron-willed promise, Christina rises to the top of the fashion industry as the head of her own business empire in New York. But in the most fateful decision of her life, she sacrifices her real dream in the name of love. With her daughter Kyle, the story comes full circle. Will her mother's dream be Kyle's own? Or will she tear the family apart with a single, momentous decision of her own? As powerful and personal a tale as any Barbara Taylor Bradford has ever written, this is a wonderfully involving and sweeping novel of three remarkable women, each committing an act of will that will define their lives forever.

## 书评

在kindle上看的。以前看英文小说，都是看看头就放弃了。这算是真正意义上的一本，任重道远。act of will.  
讲的只是一个小小的故事，平凡带有小味。有兴趣的不防一读  
相对来说，还是有一些短语是查不到的。有时真不懂说的是什么，突然之间情节就变了。大呼惭愧呀。
