Eye-opening predictions about our nation and the world, from the author of the New York Times bestsellers *The Other Side* and *Back*, *Life on the Other Side*, and *Sylvia Browne's Book of Dreams*. Sylvia Browne's books have sold more than two million copies, giving countless readers insight and reassurance about life's greatest mysteries. Now she turns her psychic wisdom to the puzzling, often contradictory predictions proposed by major historical and contemporary figures, ranging from biblical prophets and Nostradamus to George Washington and NASA scientists. In *Prophecy*, Browne shares comforting insight on headliner topics such as: o The race for a cancer cure o Nuclear war o The possibility of colonizing other planets o Peace in the Middle East o The asteroid rumored to be heading our way o And dozens of other concerns about the future Examining the most notorious prophetic voices throughout

the ages, Browne offers a clear and fascinating vision of the world as it will be in five, ten, twenty, one hundred, and five hundred years. Prophecy provides the answers we all yearn for in uncertain times.
