We Make Magazines explores magazine culture and celebrates the energy and visual dynamite that can be found outside the publishing mainstream. Edited by passionate magazine connoisseurs, it features exclusive interviews with international experts and illustrates the diverse topics that are fundamental to magazine publishing. While

showcasing more than 100 independent magazines from 30 countries around the globe with stunning spreads and layouts, it also includes a directory to over 700 of the most cutting-edge independent magazines. We Make Magazines is an essential read for everyone with a passion for print.

牛逼杂志大集合，看到+81

獨立雜誌算是涵蓋的蠻廣的了 後面的dictionary也很好玩
一眼就可以看出各個國家的文化開放程度與文化實力
