出版时间:2001-3-1

装帧:Paperback

isbn:9780141186191

Although he is best known for his exquisite novels, E.M. Forster also wrote remarkable short stories. He referred to his stories as 'fantasies' and his attraction to myth and magic is apparent in many of them. Like his novels, the stories - whether they are set in Italy, Greece, India, and other places Forster visited, or in England itself - contrast the freedom of paganism with the restraints of English civilization, the personal, sensual delights of the body with the impersonal, inhibiting rules imposed by society. Rich in irony and alive with sharp observations on the surprises life holds, the stories often feature violent events, disconcerting coincidences, and other disruptive happenings that throw the characters' perceptions and beliefs off balance. This volume includes all twelve stories published during Forster's lifetime.

评论

好吧…最后一个故事我放弃了…有几个还是蛮有趣的，只怪我最近效率和状态不佳啊唉

充满神怪想象，意料之外，又在情理之中
