出版时间:2008-5-1

装帧:Paperback

isbn:9780240810775

Go beyond the mechanics of Final Cut Express 4--learn how to edit with it! More than a button-pushing manual--this workshop give you firsthand experience with the art and technique of editing. You develop a working knowledge with nineteen tutorials that cover each and every essential, including:

- * setting up your system and understanding the interface
- * ingesting and organizing your material including drive-based and disc-based camera data
- * slicing, dicing, and organizing clips
- * editing to build and trim a sequence of shots
- * adding transitions
- * using sound to refine your edit
- * titling with FCE and Photoshop
- * animating images to create engaging scenes
- * adding special effects filters
- * compositing to enhance your projects
- * outputting your material

The companion DVD contains project media, demo software, and free plug-ins for your use.

- * Nineteen tutorial lessons give you firsthand experience with the art and technique of editing
- * Covers every essential activity from system set-up to outputting your material
- * The companion DVD contains project media files, demo software and plug-ins
