Jake Macgregor has his hands full. As San Francisco's leader of the Paranormal Special Forces unit, he and his team are facing a powerful enemy that threatens to bring down the city. With the weight of the world already resting on his broad, chiselled shoulders, the last thing Jake has time for is romance. So why - after a long, hard day's fight against evil - are his nights filled with dreams of Cassia? Cassia is a D'Anu witch whose birthright ensures power and honour beyond her imagination. It also forbids the one thing Cassia wants the most: the love of mortal Jake Macgregor. When she intervenes in a skirmish to save his life the consequences are inescapable - even though the magic they make together is too luscious, and potent, to resist...
