著者:David Bohm

出版者:Routledge

出版时间:1999-05-15

装帧:Hardcover

isbn:9780415193979

The authors of this volume explore the nature of humanity and a person's relationship to society, and insights on human thought, death, awakening insight, cosmic order, and the problem of the fragmented mind. At the heart of these discussions lies each of our own ideas about ourselves, a consciousness made up of all sorts of misconceptions about the "me".
