出版者:Laurel

出版时间:1987-06-01

装帧:Mass Market Paperback

isbn:9780440201892

The American Heritage Dictionary was revised recently to reflect the language of the 80 s. New general vocabulary words were added to mirror the current language of the arts, politics, business, media and science. These additions enhance the dictionary already acclaimed for its innovative content, style, and format. This entirely new edition provides these superior benefits:
