If you know that 'honkers' means 'dinosaurs', this is the archive collection you've been

waiting for! This deluxe collection contains the first six issues of "Turok, Son of Stone": Dell Four Color Comics number 596 and number 656; and then issues number 3-6 of the "Turok" series. Two young Native Americans stumble upon a valley where the creatures of Earth's prehistoric past still thrive. Cut off from their tribe, Turok and Andar must find a way to survive attacks from deadly honkers and encounters with savage bands of cavemen, holding out hope that one day they will discover a way back home.
