Barron's brand-new third edition of the Advanced Placement test preparation manual for French is available in two versions. This version includes three enclosed

compact discs presenting listening comprehension and French speech pronunciation exercises. An alternate version (see ISBN-13: 978-0-7641-9336-1) also includes the compact discs but adds a CD-ROM presenting two full-length model exams with answers and automatic scoring. The manual provides extensive advice on listening and reading comprehension, writing and speaking in French, a general grammar review, and chapter on France and its rich culture.
