This all-inclusive version Barron's brand-new third edition of the Advanced Placement test preparation manual for French contains three enclosed audio compact discs presenting listening comprehension and French speech pronunciation exercises.

Also enclosed with this manual is a CD-ROM presenting two full-length model exams with answers and automatic scoring. The CD-ROM's model exams are in addition to the two full-length exams with answers presented in the manual. The manual also provides extensive advice on listening and reading comprehension, writing and speaking in French, a general grammar review, and chapter on France and its rich culture.
