A fun and accessible introduction to the wide world of sports

For every woman who feels out of her league when her significant other spends nights glued to ESPN or when “the guys” talk sports at work, The Smart Girl’s Guide to Sports is here to level the playing field. A crash course in football, baseball, basketball, hockey, golf, boxing, soccer, and car racing, this couch-side companion explains the basics of each game, profiles who’s who, defines key terms, and arms readers with enough trivia to talk sports through extra innings. With this female-friendly handbook, sports-shy women everywhere can step off the sidelines and get into the game.
