Nothing Personal: Seeing Beyond the Illusion of a Separate Self by Nirmala. "The beauty of this collection of Nirmala's talks and dialogues is that it covers much of the spectrum of spiritual awakening, from the initial experience of one's true nature to the practical challenges, which always call for a deeper seeing and deeper understanding of how spirit manifests as all of life and beyond...Nirmala welcomes whatever arises within the field of experience. In the midst of this welcoming is always an invitation to inquire deeply within, to the core of who and what you are. Again and again, Nirmala points the questions back to the questioner and beyond to the very source of existence itself-to the faceless awareness that holds both the question and the questioner in a timeless embrace." -From the foreword by Adyashanti.
