Charlie and Lola, first seen in I Will Not Ever NEVER Eat a Tomato, are stars of the screen and page. A major animation acquisition for the BBC and first aired on prime time children's TV in October 2005, Charlie and Lola are racing towards superstardom! Beetles, Bugs and Butterflies is Lola's absolute favourite book ever in the whole wide world. So naturally she is distraught when it's not at the library. Someone else has borrowed it! Charlie tries everything he can think of to placate her but nothing is ever going to beat Beetles, Bugs and Butterflies. That is, until Charlie

finds Chimps and Chimpanzees and then Lola has a new best book ever!
