You stand at the blackboard, Daddy,  
In the picture I have of you,  
A cleft in your chin instead of your foot  
But no less a devil for that, no not  
Any less the black man who  
Bit my pretty red heart in two.  
I was ten when they buried you.  
At twenty I tried to die  
And get back, back, back to you.

I thought even the bones would do.
