Millions of people have heard Dr. Robert H. Schuller proclaim, "God loves you ...and so do I!" What can that power-packed, life-lifting statement mean in your life? What does it really mean to be loved--and to give love in return? By focusing on that dynamic word, love, Dr. Schuller shows how you can be the healthy, creative, vibrant, successful, and happy person

you were created to be.

"Love -- that's what this book is all about," says Dr. Robert H. Schuller. "How to get it, how to give it, and how to be really happy." Even if you thought it was impossible ever to find happiness, Dr. Schuller will show you how "the three offers of love"--open to every person--are the keys to ultimate happiness. And you'll discover the magnetism of love--the more you give, the more love you get in return!

Dr. Schuller offers the guidelines for life-transforming love found in 1 Corinthians 13--the Bible's "love chapter." You'll begin to understand what love is--and isn't. And realize the tremendous potential of a force that perhaps you haven't as yet tapped.
