With her groundbreaking bestseller *Fear of Flying*, Erica Jong taught us how to fly. Now, with the New York Times bestseller *Any Woman's Blues* that sold over 100,000 hardcover copies, she shows us how to land. Artist, mother, and world-class celebrity, Leila Sand goes on a sensual and spiritual odyssey to free herself from emptiness, betrayal, and worthlessness--and finally learns the rules of love and the secret to happiness. HC: Harper & Row.
