Can a single moment change your entire life? International lawyer Sophie Bellamy has dedicated her life to helping people in war-torn countries. But when she survives a hostage situation, she remembers what matters most—the children she loves back home. Haunted by regrets, she returns to the idyllic Catskills village of Avalon on the shores of Willow Lake, determined to repair the bonds with her family. There Sophie discovers the surprising rewards of small-town life—including an unexpected passion for Noah Shepherd, the local veterinarian. Noah has a healing touch for anything with four legs, but he's never had any luck with women—until Sophie. *Snowfall at Willow Lake* speaks from the heart about all the loves that fill a woman's life, and all the ways that love is tested and made to grow. It's the story of what comes after a woman survives an unspeakable horror and finds her way home, to healing and redemption and a new chance at happiness.
