出版时间:2009-04-06

装帧:Hardcover

isbn:9780762436545

Following the highly successful "Rich Dad Poor Dad," this edition is just for teens. Many teens are not taught good financial habits by their parents, and certainly don't encounter them in school. It's never too early to learn the secrets of managing money wisely, and even young people can learn how to make their money work for them.

Thinking rich pays big, as rich dad will prove to this much younger audience, preparing them for a life better and richer than the one their parents had.
