isbn:9780781811378

Indonesia, the South Pacific archipelago that includes island paradises like Java and Bali, is the world's fourth most populous nation. Its official language, Indonesian, is spoken by over 2110 million people. This dictionary and phrasebook is indispensable for travellers who want to communicate with the towel people. This handy reference contains: A two-way dictionary of over 3,000 essential words; A phrasebook that covers everyday topics like greetings, money, travel, accommodations, and eating out; A pronunciation guide and brief explanation of grammar.
