Readers of Princess and Princess Sultana s Daughters, the international bestselling books about Princess Sultana, were gripped by the revelations of a life of unimaginable wealth and shocking human rights abuses inside the royal family of Saudi Arabia. Due to readers tremendous outpouring of interest and affection for Sultana, the author and the Princess now continue their efforts to end the outrageous human rights abuses against women, which occur all too frequently in Saudi Arabia and in other countries. With Princess Sultana s Circle, the extraordinary story of Sultana continues. The forced marriage of Sultana s niece to a cruel and depraved older man, and Sultana s discovery of the harem of sex slaves kept by a royal cousin, makes her more determined than ever to fight the oppression of women in Saudi Arabia. Princess Sultana s Circle paints a horrifying reality for women of the desert kingdom. It is a haunting look at the danger of Saudi male dominance and the desperate lives of the women they rule.
