Merrick是一面镜子，照出了胆小忧虑自私自恋贪婪奢靡这些比畸形更恐怖的社会瘟疫。To become more normal is to die. || Bowie居然演过这剧！

87' drama 这些关于异类 关于身份的认同的东西看的很多 有时候会觉得很残酷

"If your mercy is so cruel, what do you have for justice?" / "He has been enough of daily evil to be thankful for small goods that come his way." / "-Merrick: You mean we're all just copies of originals? Who made the copies? -Dr: God. -Merrick: He should have used both hands shouldn't he"

书虫系列还是要留给侄子这类小孩子阅读，希望他们从小脑海里记着的不只熊大熊二，

还有简单文字构筑的正确价值观。类似象人的群体，现在我们社会仍有很多，大多数人没有想到的是，他们换了一种方式去生活，依然可以很美好。至少我们可以做到的就是不向他们投以异样的目光，不受不正三观煽动而丧失真我。仍然记得象人说过：“I would like to live in a lighthouse, after the hospital, please. A lighthouse, or a home for blind people. I think those are the best places for me.”
有时候，看不见听不到的东西才是最美好的东西。
