Over 220 designs for permission-free use, all meticulously rendered from authentic Russian art and artifacts, include motifs from Moldovian carpets, Ukrainian Easter eggs,

stove tiles, gingerbread molds, architectural carvings, ancient metalwork, and much more. Depictions of Matryoshka dolls, ceramic toys, and woodcuts of characters from folklore appear as well. Ideal for direct graphic art applications; inspiration for design, decoration, other art and craft projects. 226 illustrations.
