Being a teenager is hard. Old friends drift away; new friends come with new issues, teens fall in and out of love, and relationships with family members change. This books supports and inspires teenagers, reminding them they are not alone as they read stories written by other teens just like themselves, about the problems and issues they face every day. This book contains the 101 best stories for teens from past Chicken Soup books, stories written by teens about friends, family, love, loss, and many lessons learned.
