Women have always been wonderful sources of inspiration and support for each other. They are willing to lay bare their souls and share their experiences, even with perfect strangers. Put two random women together in a room, on an airplane, in a line at the supermarket, and the sharing begins, often at the deepest level. The first Chicken Soup for the Soul book was published in 1993, and became a publishing industry sensation, ultimately selling eight million copies. The company went on to publish more than 150 Chicken Soup titles, selling more than 100 million copies, and becoming a household name. Chicken Soup for the Soul has won dozens of awards over the past 15 years, and its founders, Jack Canfield and Mark Victor Hansen have become celebrity motivational speakers and authors.
