The second book in the historical Kingpriest trilogy.

The Kingpriest trilogy chronicles the origins and development of a noted figure from the Dragonlance Legends trilogy, linking this new series to one of the top-selling trilogies in the entire Dragonlance backlist. Dragonlance is a rich world that lends itself

to revisiting popular characters from prior series--an integral part of the publishing program.

作者介绍:

Chris Pierson has written numerous short stories set in the world of Krynn, as well as the Dragonlance novels Spirit of the Wind, Dezra's Quest, and Chosen of the Gods, the first volume in the Kingpriest trilogy. Pierson lives in Massachusetts.
