Connor Malone is a successful man--he's used to getting what he wants, when he wants it.

When Jennet Galbraith says no to him, it's the first time in a long time. Suddenly Jennet is not just a colleague but a challenge

Jennet likes the quiet life, but with the notorious Connor Malone on the scene there's little chance of that. The last thing she needs is to attract the attention of the paparazzi--she has too much to lose. However, Connor's not taking no for an answer. His solution is seduction!
