He was the all-American boy, squeaky clean and square
ma perfect recruit for the FBI. Then he went under-
For two and a half years, from the Caribbean to Hawaii, -
he lived another man s life. He spent close to half a mil-
lion dollars to snare tough and canny pornography sup-
pliers, many of them Mafia-connected.

He performed his sensitive job---involving threats against
his life---with skill and dedication.

He and his partner were acclaimed heroes of MiPorn, a

long and successful FBI undercover operation, one of the Bureau's first.

Before he went undercover, truth was a clear and simple principle to Pat Livingston. When the assignment was over, however, truth was the one thing he couldn't find. Somewhere undercover, a part of him had become that other person. And now he was lost
