SHE WAS ALL KINDS OF WRONG FOR ROYALTY... When it came to kingdoms, impulsive, up-from-the-streets Cleo Wilson was no Cinderella. Why, mere months ago she'd done the unthinkable: fallen for arrogant, irresistible Prince Sadik--and come up pregnant! Now, briefly back in Bahania, she had to hide her burgeoning curves or risk losing her baby-to-be to royalty! Tall, tempting Sadik promptly seduced Cleo anew...unveiled her secret...and demanded they wed! But could Cleo's lifelong fantasies of love and family find fulfillment in a palace? After all, wasn't she the last person on the planet to become a princess--and bring a proud, imperious prince to his senses...let alone his knees?
