Captain Dave Talmadge had never seen a boot-cainD recruit the likes of fun-loving prankster "Grandma" Devlin. At twenty eight, Mollie was the oldest officer candidate in the school and the one with the greatest allure.

In no time, Dave discovered/hat his career as a lifetime member of the marines was in jeopardy--and that his soldierly bearing was taking a beating. When he was near Mollie s distracting attractions, he could remember thai he was still an officer, but he was finding it difficult to

remain a gentleman!
