Davey knew his fate and his heart were forever  
entwined with Meredith of Cambria, the woman who  
placed her healing kiss upon his beleaguered soul...!

They Could Never Be Lovers

Twould mean death to the dreams of Meredith's  
people. No. Darer had been chosen only to help  
her reclaim four ancient prizes of power. But, she  
suspected, the power of that oldest  
of magics--true love--could not long be denied...!
