What man can resist a request to appear naked, hot and ready? Certainly not Devon Baines. Even though he doesn't know the e-mail sender, he has to check this out. And when he finds Jenny Moore wearing a little bit of something more comfortable, he knows he's found his match made in insomniac heaven

While she's more than fine with steaming the sheets with Devon, Jenny is firm about the rules of their fling. Some sexy exploration and then they return to the real

world separately. At first that suits Devon. But the more time he s with her. the more he wants. And when he discovers a personal secret about her. hc knows he s in a position to renegotiate...
