Tristan. apprentice wizard and King of Calandra  
should have found peace. His finding of  
the lost Sword of Calandra and his crowning  
should have ended the doom  
that held the land in its grip.

But Nimir. Lord of Ice and Storm.

still held Calandra fast.

It was summer. Put crops were dying under

cold and snow. and starvation threatened all.

Tristan and his beloved Elisena could

only save the land by daring -

the fearful trio into the ice-clad

Mountains of Channadran to face and try to

destroy Nimir at the seat of his power.

It was an impossible feat--but they

had no other choice.

And in his bird-filled, mysterious tower,

Royston Ambere awaited a hero,

while his daughter Welslin,

cribwn as Fateweaver, held her stony heart

for the one man who could claim it.

- Nimir gathered his forces and

preared his deceipts...
