Of all the islands in the world, he had to wash up onto hers . . . Five days before her wedding to a man she admires but doesn't love, Katrina Spencer escapes to a private island. There she can let the sun warm her body as she contemplates a future without the passion she craves. Then she lazily opens her eyes, only to see Brock Denton . . . muscular, half-naked, the one who got away—the one who makes her body tingle with arousal. How Brock arrived is a mystery, but it's clear he's in danger. Kat faces danger, too, in the arms of a man who is determined to free her from her every inhibition with his hands, his mouth, and more! Kat has five steamy days and five sultry nights to make up her mind—return home to a man she doesn't love, or satisfy her wildest passions with Brock and let herself be . . . Swept Away
