Until he meets a woman as fresh and pure as a spring morning-and vows to possess her...at any cost. Simply InnocentCompassionate, radiant and breathtakingly lovely, Cassandra Zerek has a charming naivete that seems to blind her to Luke's seductive schemes-and an unwavering belief in the magical ability of love to transform this frog masquerading as a prince into the man of her dreams. Simply LoveSoon Cassie has aroused not only Luke's desire, but his conscience-most unexpectedly-as well. But neither gold nor guile will make her his own. Only the most precious gift of all can win her: Luke's deep and abiding love. SIMPLY WILDThe wealthy owner of a Colorado mining empire, Luke Taggart has seen and done it all.
