Havana is a cultural powerhouse. A delightful and at times wicked set of contradictions, she is proud and boastful, unabashed and raw. Unlock the doors to the city - the Havana of delectable mojitos and proud intellectualism, of salsa and Santeria - with this comprehensive guide: cruise through Havana Vieja on a tailored walking tour, find romance along the Malecon, or simply puff knowingly on your Cohiba as you marvel at this cosmopolitan city on the verge of international stardom. Discover Havana - dedicated Arts, Music and Architecture chapters reveal the culture, history, spirit and pathos of this Caribbean dynamo. Find Yourself - detailed full-color maps guide you through Havana Vieja's narrow streets to her revolutionary monuments and neighboring beaches. When Night Falls - immerse yourself in Havana's mambo rhythms or find that perfect hostel with expanded sleeping, eating and entertainment listings. Under The Skin - comprehensive language and cultural coverage, and candid local interviews take you beyond the tourist trail.
