Wild Yellowstone amazes visitors with its hydrothermal spectacles and free-roaming

bison, while Grand Teton thrills with its rugged mountains and icy lakes. Whether you want to gaze at Old Faithful or hike among the peaks, gear up with this top-selling guide to two of the USA's most spectacular national parks.

Detailed Itineraries - explore Yellowstone and Grand Teton with over 20 great itineraries, plus trips to Jackson Hole and Cody, and along the Beartooth Highway

Best Hiking Routes - includes 40 of the most enjoyable hikes around lakes and geysers, up mountains and into the backcountry, with easy-to-use charts and topographic hiking maps

Family Friendly Options - information on education programs, campfire talks, ranger walks and the best hikes for little legs in our special Kids & Pets chapter

Adventure Ideas - covers hiking, rock climbing, mountain biking, rafting, wolf-watching, snowboarding, dogsledding, kayaking, swimming, volunteering and much more

With 2000 hours of in-park research and over 280 miles of trails hiked, our authors offer sound advice for visitors

Who We Are

At Lonely Planet, we see our job as inspiring and enabling travelers to connect with the world for their own benefit and for the benefit of the world at large.

What We Do

We offer travelers the world's richest travel advice, informed by the collective wisdom of over 350 Lonely Planet authors living in 37 countries and fluent in 70 languages. We are relentless in finding the special, the unique and the different for travellers wherever they are. We update our guidebooks by visiting thousands of places in person to get the details right and tell it as it is. We always offer the trusted filter for those who are curious, open minded and independent. We challenge our growing community of travelers; leading debate and discussion about travel and the world. We tell it like it is without fear or favor in service of the travelers; not clouded by any other motive.

What We Believe

We believe that travel leads to a deeper cultural understanding and compassion and therefore a better world.

"Nobody covers the world like Lonely Planet." (New York Post)
