The student tested-and-reviewed way to prep for the psychiatry shelf exam and the USMLE Step 2 CK "I found the book very thorough and an overall good resource for a psychiatry rotation and USMLE Step 2 presentation. I already have recommended this book to my classmates and friends." -- Joshua Lynch, Medical Student, Lake Erie College of Osteopathic Medicine " I think this text stands up to the expectations of medical students who depend on PreTest as a study aid during preparation for exams." -- Edward Gould, Medical Student, SUNY Upstate Medical University Praise for the last edition: "The Pretest Series is widely used in preparing medical students for the clerkship shelf exams and the USMLE, and this psychiatry edition is, overall, quite good. The content is thorough, the questions concise, and the answers explained well. For those students who prefer to study using question-and answer type review books, this should fulfill their needs. It is nice to see an updated edition of this ever popular review book. 4 Stars!" --Doody's Review Service Psychiatry: PreTest Self-Assessment & Review is the perfect way to assess your knowledge of psychiatry for the USMLE Step 2 CK and shelf exams. You'll find 500 USMLE-style questions and answers that address the clerkship's core competencies along with detailed explanations of both correct and incorrect answers. All questions have been reviewed by students who recently passed the boards and completed their clerkship to ensure they match the style and difficulty level of the exam. 500 USMLE-style questions and answers Detailed explanations for right and wrong answers Targets what you really need to know for exam success Student tested and reviewed Psychiatry: PreTest Self-Assessment & Review is the closest you can get to seeing the test before you take it. Great for clerkship and the USMLE Step 2 CK! Psychiatry: PreTest asks the right questions so you'll know the right answers. Open it and start learning what's on the test.
